---

## 1. COOKIE POLICY

Cookies on our website are used to provide security and help us to improve the user experience of our website.

This is the list of all cookies that are used on our website:

- CSRF (Cross-site Request Forgery) protection cookies
- Google Analytics analytical cookies
- Cloudflare DDOS protection cookies

## 2. DATA PROCESSING

We do not log users' IP addresses, but we log IP addresses of their mining rigs. All IP addresses are collected only to make users able to verify their mining equipment ownership.

Users can optionally provide an email address. This information is used only to send notifications.

All website activity is tracked by analytical services. We use that data to improve user experience.

## 3. DATA PERSISTENCE

Data older than 1 year is considered as unneeded and is deleted unless a longer period is required for compliance with legal obligations. This includes workers' statistics and their IP addresses.

Email addresses are not deleted after a specific interval, but they can be replaced with a new one.

#### **4. DATA PROTECTION**

Flexpool protects the data with the newest technologies to keep it safe and protected from unauthorized access. We do not sell or rent the users' data to third parties.

#### **5. CONTACT DETAILS**

If you want us to gather all your data, or ask Us to delete it, please send a request to [privacy@flexpool.io](mailto:privacy@flexpool.io).
